BDG FRAMEWORK

The following information is for guidance only. Please contact us for a bespoke proposal.

The Fee

The standard costs for a complete incorporation process start at 2,500 EUR and can vary from project to project, this also depends on the complexity of the planned company form or enterprise solution.

Other Costs

The notary, the German commercial register and the tax auditor will invoice their services separately. We will provide details about this in a detailed offer. All other costs, e.g. travel expenses of BDG seniors (if applicable), will be agreed upon beforehand with the client and charged accordingly.

The Timeline

An incorporation process can be completed in two weeks if everything is prepared and the notary appointment is conducted swiftly. However, please be advised that it is also very normal for such a process to take up to 4 weeks, or even more depending on many individual facts.
